

A journey of a thousand miles begins with a single step.....

It's hardly a year we have started showcasing our best practices and feels great looking back at the moments when IPCL has received awards like NIPM National Award as runners-up and back to back two FAME Excellence Award in Platinum category one received in 2017 and another in line to receive in 29th July 2018 for Fame Excellence Award™2018” in Platinum Award for the outstanding Project on “Best HR Practices”. Today we can proudly declare that we are a Great Place to Work certified Organization. Initially we were apprehensive to participate in the Great Place to Work assessment this year as we had the opinion of developing a little more in order to participate in the assessment. However, with the motivation from our CHRO, Mr. Chandrasekhar Mukherjee and continuous support from our MD, Mr. Raghav Raj Kanoria we are a Great Place to Work Certified Organization today and yet to achieve many more milestones with our continuous effort in the coming year.
